

Middleton Harvey Profile

About Middleton Harvey

Middleton Harvey was formed in 2011 when John Middleton and Chris Harvey entered into a partnership to provide services to businesses that will help them achieve their objectives. Both John and Chris have worked for and consulted to a number of organisations. Their skill sets are complimentary and they are driven to make real differences to organisations.

Our Vision

To exceed client expectations so that they become Raving Fans of Middleton Harvey.

Our Mission

Working in partnership with businesses to make changes that make a difference.
